# The Garden - guideline

Bobby McFerrin

**A1**

And there was day and there was night and there  
5 was dark and there was light there was  
9 the Earth there was the sky and there  
13 in the tree there crawled a lie There  
**A2**  
17 in Ed- en there was good there  
21 in the gar- den where the tree of life stood there  
25 the snake was there was pain and we're tryin'  
29 to get back in the gar- den a- gain There  
**A3**  
33 was fi- re there was rain there was talk and there  
38 was shame they were moan- nin' they were cryin'  
43 but there still is a glim- mer in the big man's eye
